Dear Dr. Gandini,

I am writing on behalf of the AUMER Foundation (501(c)(3), EIN 99-0495658), a nonprofit conducting forensic research on deported U.S. military veterans under our Exile Patriot Project. We are preparing a briefing for the Congressional Hispanic Caucus (May 18, 2026).

SUDIMER has created 33 databases from Mexican and US institutional sources covering detentions, deportations, returns, and asylum requests (2000-2024). We would like to request:

- 1) Access to the 33-database compilation for cross-referencing with our DCAS forensic audit of Vietnam War casualty classification (349 Hispanic-coded of 58,220 total, 84.9% failure rate).
- 2) Any datasets specific to veteran deportees or military-connected migrants.
- 3) Potential collaboration opportunity for the academic paper being co-authored with Prof. Marco Durazo (USF) using our forensic dataset.

We would welcome a video call to discuss data sharing protocols and mutual research interests.
